Apply Ideal Spotters directly to stain, work with bone or brush and dry clean as normal

- ✓ No mixing
- ✓ No complicated procedures
- ✓ Ready to use straight from the bottle

Zero Nero

Use as post spotter to avoid water marks and as pre spotter on collars and cuffs for wet washing and dry cleaning

Rust Remover

Apply prior to wet washing or dry cleaning for effective removal of rust stains

Regular DCS

For enhanced particulate soil removal. Combines brilliant soil suspension, anti-static and softening properties for an excellent finish.

Refills

All products available in economic 5 litre drums.
